Prayer Declarations:

- We decree that this season of our ministry will be filled with God's abundant favor.
- We decree that Pastor & Lady Swims are consecrated and empowered to lead HMBC into a new era of ministry growth (spiritually, numerically & financially). They are filled with God's wisdom to make the right decisions as our church leaders, and whatsoever they touch shall prosper.
- We decree that our leadership team and entire church body will have a fresh hunger and fresh thirst for the word of God and prayer.
- We decree that the community, county, state and nation are open to the Gospel of Jesus Christ; souls are being saved, discipled, healed, and delivered and God is adding to the church daily.
- We decree that the Glory of the Lord is rising; the church is rising up in authority, dominion and demonstration of the power of God. The anointing of God is upon to the do the work of ministry with Kingdom results; we are catalysts for change and hope.
- We decree that we are a prayer saturated church; no weapon formed against the ministry of HMBC will prosper.
- We decree that personal victories are breaking forth in our spiritual lives, our families, our careers and our ministry.

1. Begin your fast with prayer & the word

"Hungering for God brings with it a much greater reward than satisfying the temporary hunger in my body."

- Pastor Jentezen Franklin

SPECIAL NOTE: We adopt the wisdom of the use of liquids to serve as a replenishing agent for the body, regardless of period of time in which you will be fasting. *.(This includes liquids such as water, fruit/vegetable juice or broth.)*

- Abstain from social pleasures and recreational activities such as playing sports, attending movies, or viewing television programs that arouse anger or intimate emotions. (Isaiah 58:13-14)
- Abstain from excessive joking and guard yourself from conversations that lead to gossip, strife, or debate. All conversations should give way to wholesome spiritual edification (James 3:10-12)
- Daily Devotional readings: Psalms 119. Other necessary books and literature are permissible, but they should not take precedence over daily meditation on God's word.
- Married couples should refrain from intimate fellowship during the fast. In situations regarding an unsaved spouse, this understanding should be communicated so that a mutual agreement may be reached. (1 Cor. 7:3-5, Exodus 19:15)
- Everyone should connect with a spiritual prayer partner.
- Youth ages 12 & up should also conduct themselves in accordance with these instructions. For instance, they can use this time of consecration to watch necessary or bible based movies.
