Corporate Fast

February 2018

Fasting should not...

...be your weight loss plan.

...be a fad to impress your family, friends or social media followers.

...be a "magical" way to get God to do what you want him to do.

...be a dare to see how long you can go without food.

Fasting should...

...empower you with God's favor, wisdom and direction.

...enable you to enter into a higher fellowship with God.

...symbolize the re-dedication and purification of our hearts and souls towards God.

...remove carnality and self-centeredness from freely operating in our lives.

...break the power of darkness that attempts to influence and control our lives.

...allow God to increase His power within us for greater work.

...redirect our focus so that we may be in sync with God's timing and seasons of blessings for our lives.

Words for Wednesdays

James 1:5

If you need wisdom, ask our generous God, and he will give it to you. He will not rebuke you for asking.

Malachi 3:8

Bring all tithes into the storehouse, And try Me now in this, Says the Lord of hosts, If I will not open for you the windows of heaven and pour out for you such blessing that there will not be room enough to receive it.

2 Corinthians 9:7

You must each decide in your heart how much to give. And don't give reluctantly or in response to pressure. For God loves a person who gives cheerfully.

Matthew 25:29

To those who use well what they are given, even more will be given, and they will have an abundance. But from those who do nothing, even what little they have will be taken away.
